1. Presidents' Address

Dear Guests,

Welcome to the Christ's May Ball 2022! Our theme this year is 'Mythos' and we are so excited to host you here tonight. It's going to be incredible!

We would like to take this opportunity to thank everyone who has made tonight possible: our sponsors (see below), all of the Christ's College staff who have answered our every question and allayed our concerns, our fantastic committee who have brought this Ball to life, and all of you, for buying tickets and coming to share tonight with us!

Our headliner will be playing in the Fellows' Garden from 11.45pm, so make sure you're around for that, and do take a look into all of the little rooms around college - there are plenty of hidden surprises in store.

6. Green and Access

This year, we are aiming to make Christ's College May Ball the most sustainable that the college has seen. As part of this, we've organised a company to collect and recycle 95% of our college waste, and have been working with vendors to make any packaging as environmentally-considerate as possible.

We hope that you're as excited as we are for the Ball, and for making this the most sustainable May Ball our college has held!

If you have any questions regarding the Ball's sustainable actions, don't hesitate to contact Camille, our Green Officer, at green@christsmayball.com

Our full access handbook is available here:
